PROFILE

Video editor experienced in fast paced digital production, skilled in Adobe Premiere Pro, After Effects and Photoshop. I bring strong storytelling instincts, reliable technical ability, and the flexibility to work across a wide range of content styles.

WORK EXPERIENCE

2024 - PRESENT

Yonhap News Agency | Seoul, South Korea

- Edit daily news videos for Yonhap's official YouTube channel, producing fast turnaround, high accuracy content.
- Research and verify source footage from social media and international press; assess reliability and ensure journalistic standards.
- Handle post-production: editing, graphics, subtitles and thumbnail creation.
- Collaborate with the news desk to cover domestic and global news topics.
- Work efficiently in a high pressure environment, publishing 1-3 news packages daily.

2021 - 2023

Korea Economy TV | Seoul, South Korea

- Produced, filmed, and edited digital content for YouTube channels, developing visually engaging formats.
- Created motion graphics, thumbnails, and visual assets; designed and executed creative concepts for social first video.
- Uploaded online video news articles and assisted OTT live broadcast operations.

2019 (Short-Term Work Experience)

TwoFour Studios | Plymouth, United Kingdom

- Post production assistant helping with ingest, media management, and basic editing tasks.
